

**CANDIDATE FOR CITY COUNCIL MEMBER  
CITY OF HESPERIA**

**NAME: THURSTON “SMITTY” SMITH**

**AGE: 48**

**OCCUPATION: Park Board Director**

**I AM** Thurston Smith, husband, father and neighbor. Dedication and commitment to Hesperia are my long term goals. As an 18 year Hesperia resident, business owner and father of two, I have devoted hundreds of hours to preserve our family lifestyles and associated culture.

When elected to the Hesperia City Council, I will concentrate on:

- Public Safety (Sheriff and Fire protection)
- HONESTY and responsibility in government
- Residential road pavement and Ranchoero Road underpass
- Stricter code enforcement and full licensing for all group homes

Thurston “**Smitty**” Smith pledges a commitment to Hesperia and a plan to regularly communicate with the public to determine what the citizens find most important. I will be the first to establish regular council member office hours. I am dedicated to the principle that outside influences will not dictate the vote that I make on issues.

Consider the importance of preserving the ideals for which we all moved to Hesperia – family values and a crime-free culture. Our children and their welfare come first.

VOTE on November 7, 2006, for Thurston “**Smitty**” Smith, Hesperia City Council.
